

About the Director

Aron Bassoff is the Head Women's Soccer Coach at the University of the Cumberland (formerly Cumberland College). At the University of the Cumberland, he has reversed fortunes and turned around the women's soccer program. This past season of 2007, he directed the team to a 16-5 record. This was the first winning season in 5 years and along with it established the 2nd most wins in a season and 2nd highest winning percentage in a season.

Previously, Bassoff served as the Head Men and Women's Coach at Palm Beach Atlantic University. Prior to that, he served as the Assistant Men's Soccer Coach then Head Men's Soccer Coach at Dickinson College in Carlisle, P.A.

Bassoff has had a standout career as a head coach. In his first season at PBA, he reversed men's soccer history of six consecutive losing seasons with a record of 11-6-1. Bassoff also helped lead the teams to make history. He led the men's teams to their first Florida Sun Championship, their first NAIA regional playoff appearance, and their first national ranking. He also led the women's team to a 2nd place finish in the Florida Sun Conference, a NAIA regional championship game, and a national ranking as high as 7th. He produced an overall record of 40-34-3 at PBA and had four winning teams.

While at Dickinson College, Bassoff produced a team that finished 17-5 and set a program record for wins in a season. Additionally, they obtained a national ranking of 16th, the first national ranking in the program's history.

Additionally, he has obtained a USSF 'B' license, the second highest coaching license offered, and a NSCAA Premier Diploma, the highest coaching license offered.

Bassoff graduated from Messiah College with a BS in Sport and Exercise Science and has earned a Masters in Sports Management from Nova Southeastern University.

About the Camp

*In this camp we will accommodate the beginning, the intermediate, and the more advanced teams for a week of intense and enjoyable training.

*We will tailor the training at camp to the needs of the team. HS and Club coaches will be asked to give us several areas to focus on to improve their teams.

*To complement our method, small-sided games and 11v11 scrimmage games are extensively used to give players an opportunity to apply the lessons learned in a game situation scenario, and so develop better awareness of the game.

*Each team will be given excellent instruction from collegiate coaches that know what it takes to play at the next level. HS and Club coaches will have an opportunity to observe training sessions, receive copies of the training sessions and ask questions to the staff coach.

COLLEGES COACHES CURRENTLY ON STAFF:

Mike Joy, Head Women's Soccer Coach, Tusculum College

NCAA Division II tournament appearances in 2003, 2005, 2006 and 2007
