Purchasing Madrigal Tickets Online

1. Click on the link to visit UC’s online store through CASHNet. This link will take you directly to the Madrigals order page: https://commerce.cashnet.com/ucumberlandsempay?itemcode=UC1-MADRIGAL
2. Choose the quantity of tickets you’d like to purchase
3. Then choose the date from the drop down box.
4. Once you have chosen those options, click the ‘Add to Basket’ button.
5. You should then see your shopping cart / basket
6. If everything appears correct, click the ‘Checkout’ button.
7. You’ll be taken to a screen to either login or register for a new CASHNet account. This account is NOT associated with your UC email address, so if you have never made an online payment through CASHNet, you’ll need to set up a new account. To do so, scroll down to the ‘Create a New Online Payment Account’ section, and click the ‘Register’ button.

8. Fill out the form to register for your account. Once finished, you will be prompted to complete your checkout.
